PV NEW YORK SHOWCASES SPRING SUMMER 2026 COLLECTIONS THIS JANUARY!

Premiere Vision New York is excited to open the new year with an exclusive showcase of the Spring/Summer 2026 collections on January 14th and 15th, hosted at the Tribeca Rooftop + 360°. Join us for a vibrant two-day event that will bring together leaders and innovators from every corner of the fashion industry for a glimpse into the materials, designs, and trends shaping the upcoming season.

PV New York will go beyond traditional sourcing by offering a unique environment where global trends intersect with groundbreaking creativity. From sustainable materials to innovative color stories and fresh interpretations of classic textiles, the event will feature an inspiring range of collections tailored for fashion professionals eager to make impactful connections and discover what's next.

New Perspectives on Sourcing: This edition emphasizes forward-thinking solutions, including a dedicated focus on eco-friendly innovations and discussions about the evolving standards for a sustainable industry. Attendees can expect an atmosphere rich with insights and the opportunity to interact directly with exhibitors who are setting new benchmarks in sourcing and production.

Tribeca Rooftop + 360°: An Iconic Setting: Set against the vibrant backdrop of New York City, the Tribeca Rooftop + 360° will serve as the ideal venue, combining city sophistication with panoramic views that reflect the show's innovative spirit. This unique setting allows attendees to fully immerse themselves in the Spring/Summer 2026 collections, sparking creativity and insight against a breathtaking skyline.

Be part of the Premiere Vision New York experience and engage with the designers and materials that will influence fashion's future. Save the date and prepare to be inspired by the best of what's next in fashion, right at the heart of New York City.
